

"Maybe tomorrow IoT will enrich everything we do."

Marco
Information Technology

Tomorrow is our home.

See how easy it is to explore new ideas at BSH Home Appliances Group: As a leading manufacturer of home appliances, we improve people's quality of life by thinking in solutions. With our global brands Bosch, Siemens, Gaggenau and Neff as well as our local brands, we explore innovative technologies from voice recognition to artificial intelligence. As we utilize these to create new user experiences, we think, prototype, build – and keep on learning. Join us now and give your career a home.

Security Operations Engineer (m/f/d) Public Key Infrastruktur

BSH Hausgeräte GmbH | Regensburg | Full time / Part time |

Your responsibilities

With our connected products and services, we offer an outstanding user experience. Do you want to accelerate our industry's digital transformation? Then you have come to the right place! Exciting projects and varied tasks await you, including

- / Building, configuration and testing of hardware and software for key and certificate management
- / Operation of BSH public key infrastructure as part of the electronics manufacturing process
- / Operative incident and response management
- / Keep a finger on the pulse of security and stay up to date regarding threats and technology
- / Option to support in other relevant security topics like secure product architecture

Your benefits

- / Modern and diverse working methods and technologies
- / Individual development programs, international perspectives and diverse career opportunities
- / Attractive, employer-funded company pension plan and modern health benefits
- / Flexible working time schemes and mobile working

Your profile

- / Degree in computer science, engineering, information security or equivalent qualification with several years of business experience
- / Cryptographic know-how and experience with certificate management and enterprise HSM configuration
- / Hands-on experience with Linux, database management systems and Java webservers
- / Curiosity and thoroughness
- / Fluent knowledge of English is necessary and basic knowledge of German is desirable
